

# XH-SERIES

## FREE WEIGHT EQUIPMENT

The tube lines are smooth while the appearance is high-end and elegant.

The upholstery is made of PU with one-step forming technology and designed according to the principles of ergonomics. Well controlled hardness ensures the degree of comfort of upholstery. The leather which wraps it passed a 100,000-Round high strength test.

Footrest plate made of PU foam with one-step forming technology and steel knee inside the footrest ensures enough strength and softness for users.

Weight horn: Some of the models are equipped with quality-assured weight horns made of stainless steel tubes where barbell plates of more specifications can be put for more convenient usage.
